Product Bulletin

Brand/product:	SOSS
Date:	October 5, 2026
Subject:	October 2026 Price Book Update

Product Clarifications

Page 6: The finish cross-reference guide adds five new BHMA codes for Brass and Bronze substrate finishes — 606 (US4, Satin Brass), 609 (US5, Antique Brass), 613 (US10B, Oil Rubbed Bronze), 619 (US15, Satin Nickel), and 626 (US26D, Satin Chrome).

Page 30: Magnetic door holder finish names have been updated — MDHBUS10-HS is now listed as “Bronze” (previously “Antique Bronze”), and MDHBUS3-HS is now listed as “Bright Brass” (previously “Bright Gold”). Part numbers and prices are unchanged.

Pages 31–35: New Wood Screw Packs and Machine Screw Packs offering added

Individual replacement screw packs are now available for SOSS invisible hinges, sold separately from the hinges themselves.

Wood Screw Packs (part numbers IHPART.1001-1097) are offered for hinge models 100/101/303, 103/203/504(A), 212/218/418/518(A), 216/416/518(B), and 220/420, in small (4-8 screw) and bulk (100 screw) pack sizes and a range of finishes.

Machine Screw Packs (part numbers IHPART.1101-1191) are offered for the same hinge models, also in small and bulk pack sizes and a range of finishes.

Policies and documents

The purchase of Allegion products is governed by the Allegion Authorized Seller Program. For program terms and conditions, and other program details, please visit:

USA www.allegion.com/AuthorizedSeller
CAN www.allegion.ca/policies

- Goods can be returned only with our prior authorization and are subject to a restocking charge
- We are not responsible for errors on verbal orders that are not confirmed in writing
- If possible, all orders should be e-mailed to: Orders_Allegion@allegion.com
- All orders subject to approval of our Credit Department
- All claims must be filed within 14 days of receipt of goods

For Warranty information, visit us.allegion.com/warranty or contact Customer Service at:

USA 877-671-7011
CAN 800-900-4734

Sustainability

Allegion can provide sustainability documentation for select products, ensuring transparency and adherence to environmental standards and building certification programs such as LEED and Living Building Challenge. This documentation includes detailed information on the sustainable practices and materials used, helping you make informed decisions that align with your sustainability goals.

To view the full list of products with declarations, please visit: https://us.allegion.com/en/resources/sustainability.html

How to use this book

Information contained in the list price table:

Product description: Column contains minimum and/or maximum thickness, substrate, application, fire rating, and max wire rating (if applicable).

Model number: Column contains model number and additional suffix for other distinguishing features or packaging type.

Packaging type suffixes:

- B = Bulk pack
- PB = 1 each to a polybag

Unit Packaged: Description of individual selling unit quantity and packaging.

MOQ: Contains the minimum order quantity for identified product, if required.

Stocked (USA ONLY): Column indicates whether the product is available to order through FastTrack.

SOSS FASTTRACK STOCKED OFFERING[1]

[1] FastTrack Stocked offering does not apply to Canada.

SOSS FastTrack stocked offering includes over 80 of our most popular accessories that will typically ship in 3 business days or less through our standard order process. Choose from our list of small to large concealed hinges, concealed closers hinges, concealed wrap around hinges, and installation templates.

All FastTrack stocked items are noted throughout this price book. Simply view the Stocked column at the top of the page and a "." denotation per item.

To place an order for FastTrack
Order via the standard ordering process and submit only FastTrack items on your purchase order. Purchase orders that contain a mix of standard product and FastTrack items will continue to follow existing customer account preferences (ship complete or ship partial). Made-to-order products will continue to ship within standard lead times.

For more information, visit www.soss.com for the list of offerings and frequently asked questions.

SOSS STANDARD LEAD TIMES[2]

[2] USA Only. Contact Canada Customer Care for Canadian lead time.

Made-to-order products will have a standard lead time of 1–2 weeks unless otherwise noted. See product pages for special exceptions. Access the Allegion product lead time report for additional lead time information accessible in the 360 Portal at 360portal.allegion.com or contact your local sales representative for additional information.

Online ordering is available through Allegion Estimate and Order (AEO)

AEO offers much more than placing online orders including:

- Provides net price for direct customers and list price for indirect customers, integrator partners and end-users
- Online Ordering for direct customers
- Automated price updates
- Ability to export price lists and cross-reference guides in Excel
- Configuration and configuration reports, including e-lock configurations
- Request a quote or quote revision from an estimate
- Keying Guide
- Library pre-built hardware sets

How to get it:

1. Login or register at 360portal.allegion.com
2. Find the Estimate and Order Icon and follow the instructions to request access
3. The Online Ordering team will begin working on your access with your Allegion Sales Representative

MODEL #420SS

Product Image	Product description	Model number	BHMA Finish	Unit packaged	Must be ordered in Multiple Qty	MOQ	List price per MOQ	USA ONLY Stocked
	Minimum thickness: 2" Substrate: Grade 316 Stainless Steel Application: Metal Fire Rated: 180 Minutes	420SSUS32	629	1/box=1 each	-	1 each	$767.77	
		420SSUS32B	629	1 each	Yes	6 each	$4,606.62	
		420SSUS32D	630	1/box=1 each	-	1 each	$538.38	
		420SSUS32DB	630	1 each	Yes	6 each	$3,230.28	

Hinge model #420SS is for metal doors only and will be only supplied with machine screws.

USA stocked products will typically ship in 3 business days. Stocked does not apply to Canada.

90/180-minute Fire Rated, UL Listed invisible closer hinges

- All fire rated hinges are shipped with the proper size wood and machine screws unless ordered without.
- Allow one closer for every 55 lbs. of door weight or portion thereof. Fire rated applications also require one fire rated hinge for every 20" of door height or fraction thereof. The calculation that requires more hinges is the total number of hinges required.
- Recommended spacing for use of one spring closer is half of the distance from the center line of the door to the center line of the top hinge. Please reference hinge spacing drawings.

MODEL #220ASIC

Invisible closer hinge model #420SSIC is for metal doors only and will be only supplied with machine screws.

USA stocked products will typically ship in 3 business days. Stocked does not apply to Canada.

20-minute Fire Rated, UL Listed power transfer hinges

- All fire rated hinges are shipped with the proper size wood and machine screws unless ordered without.
- Use at least one fire rated hinge for every 20" of door height or portion thereof, or one hinge for every 60 lbs. or fraction thereof. The calculation that requires more hinges is the total number of hinges required.
- The SOSS Power Transfer Hinges are for use with four or six wire applications. Maximum wire rating is 2.5 ampere at 24 volts of direct current. For devices requiring more than 2.5 AMP, do not use SOSS Power Transfer Hinge.

About Allegion

At Allegion (NYSE: ALLE), we design and manufacture innovative security and access solutions that help keep people safe where they live, learn, work and connect. We're pioneering safety with our strong legacy of brands like CISA®, Interflex®, LCN®, Schlage®, SimonsVoss® and Von Duprin®. Our comprehensive portfolio of hardware, software and electronic solutions is sold around the world and spans residential and commercial locks, door closer and exit devices, steel doors and frames, access control and workforce productivity systems.
