Updates to the Allegion Marketing Resource Apps

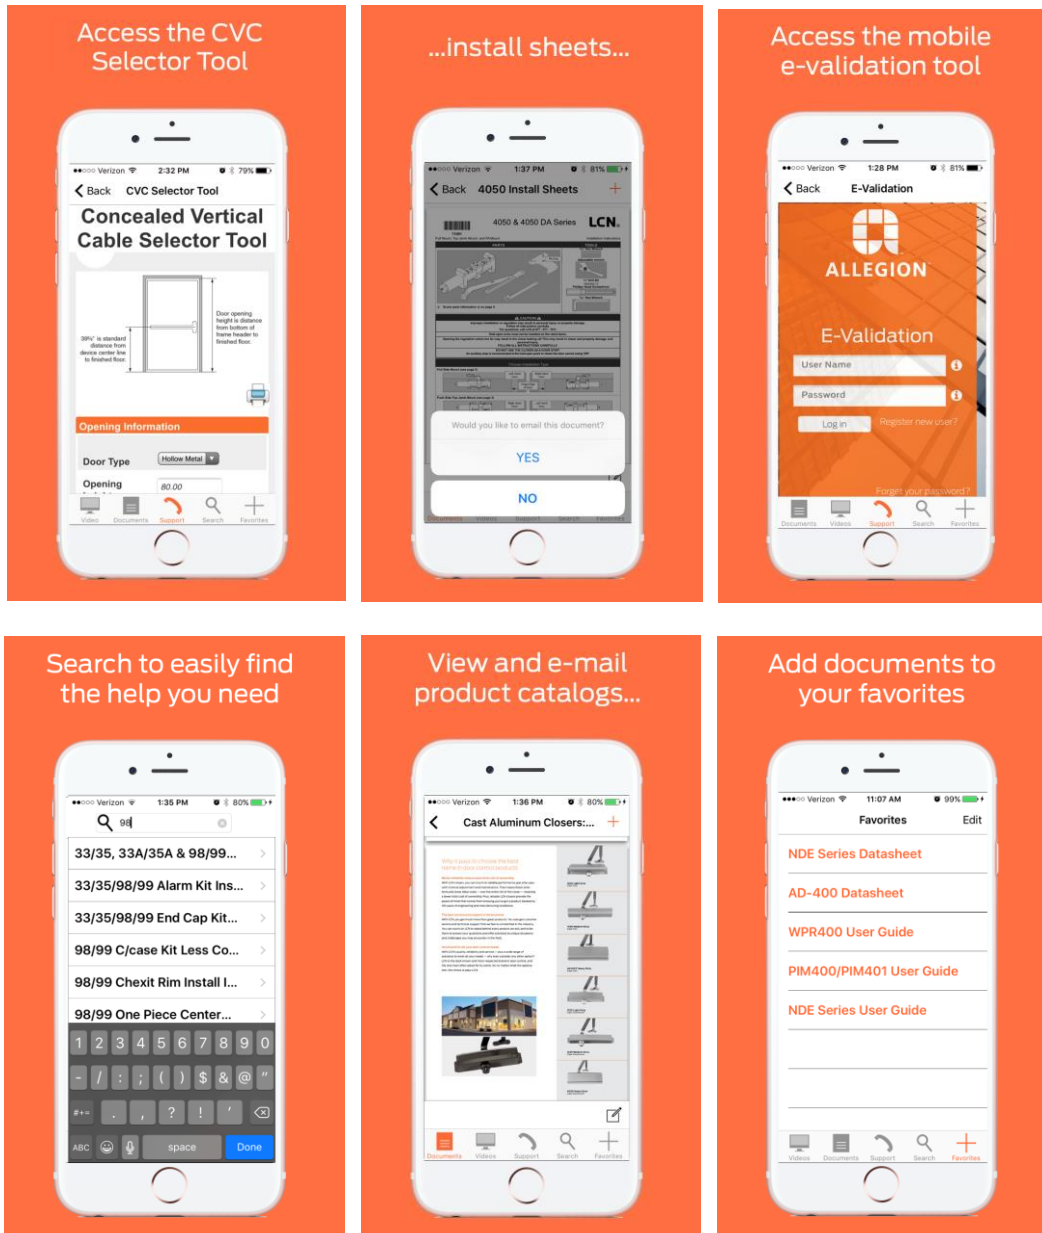

Updates to the Allegion iPhone and Android apps for Schlage Electronics, Schlage Mechanical, LCN and Von Duprin are **now live!**

The improvements include new features, updated images, and a new look with enhanced icons. **Watch this [30-second video](#)** for more information and view snapshots of the updates below:

If your apps have not automatically updated to the new icons, **check your app store to see if updates are available.** Once the apps have been updated, you will see the new icons.

Suggestions?

Feel free to leave comments, questions or feedback about the app in the app store, or **use the feedback option inside each app** to let the team know what you think.

Visit the [Training section](#) on the Commercial website for more information on the numerous resources the Allegion Training Team offers.
